L'INITIATIVE SPES BONA POUR L'ÉDUCATION MÉDICALE
THE SPES BONA INITIATIVE FOR MEDICAL EDUCATION

Merci ! Ngiyabonga ! Ndiyabulela! Thank you! Dankie!

L'initiative Spes Bona a été fondée en 2020 par de jeunes médecins belges et sud-africain qui, conscients des conditions de vie difficiles dans lesquelles évoluent certains de leurs jeunes confrères, ont souhaité créer un réseau d'entraide et un système de bourses de soutien à l'éducation médicale. Deux structures sans but lucratif sont ainsi nées, en Belgique et en Afrique du Sud, afin mettre sur pied la Bourse Vesalius destinée à améliorer les conditions de formation de jeunes étudiants en médecine.

Depuis 2020, onze étudiants ont été soutenus dans cinq universités sud-africaines. Près de 1.000.000 de rands (50.000€) ont été distribués - grâce à la générosité et à l'engagement de dizaines de parrains et de volontaires bénévoles en Belgique et en Afrique du Sud !

Ce document vous propose un aperçu préliminaire de nos activités en 2023 - dans l'attente de notre rapport définitif à paraître au printemps 2024. Vous y constaterez que notre projet est bien vivant et animé par une volonté sans cesse renouvelée d'améliorer notre soutien aux étudiants et de multiplier nos activités caritatives.

Përsuadé - à l'instar de Nelson Mandela - que l'avènement d'un monde plus juste passe par l'éducation de chacun dans des conditions décentes, je me joins aux membres actifs et administrateurs de Spes Bona pour vous remercier de votre soutien sans faille au cours des trois dernières années.

The Spes Bona initiative for Medical Education was founded in 2020 by young South African and Belgian doctors driven by the same desire to improve the dire living and training conditions of some medical students in low and middle income countries. In order to provide medical education scolarships, they created the Spes Bona Network, composed by two non profit structures in Belgium and South Africa.

Since 2020, eleven students have been supported in five South African universities. Nearly 1,000,000 rands (€50,000) have been distributed - thanks to the generosity and commitment of dozens of sponsors and volunteers in Belgium and South Africa!

This document provides a preliminary overview of our activities in 2023 -in anticipation of the publication of our final report in the spring of 2024. You will see that our project is alive and kicking, driven by a constant desire to improve our support for students and to expand our fundraising activities.

As Nelson Mandela, I remain convinced that a fairer world can only be achieved if everyone is educated in decent conditions. I would therefore like to join the active members and administrators of the Spes Bona Network in thanking you for your unfailing support over the last three years.

Edouard Hosten

Spes Bona ASBL (Administrateur)

SB Initiative for Medical Education (Founding director)

NOS ACTIVITÉS EN AFRIQUE DU SUD
OUR ACTIVITIES IN SOUTH AFRICA

Le bilan de l'année 2023 pour la branche sud-africaine de l'initiative Spes Bona a été marquée par la **sélection de 4 nouveaux bénéficiaires** - portant à 7 le nombre total d'étudiants titulaires de la bourse Vesalius en 2023.
Cette bourse, destinée à soutenir les étudiants dans leur vie quotidienne, s'élève à 7.000 ZAR (350€) versés mensuellement.

The year 2023 for the South African branch of the Spes Bona initiative was marked by **the selection of 4 new beneficiaries** - bringing the total number of students receiving the Vesalius grant in 2023 to 7. This scholarship - designed to support students in their daily lives - amounts to ZAR 7,000 (€350) paid monthly.

2023 a également été marquée par la réalisation de **très généreux dons** de la part

- du **trust Ex Corde**: 268 653 ZAR (près de 13 500€)
- de la société sud-africaine **LabPrint** : 87 000 ZAR (près de 4 500€).

2023 was also marked by **very generous donations** from :

- the **Ex Corde trust**: ZAR 268,653 (nearly €13,500)
- the South African company **LabPrint**: ZAR 87,000 (nearly €4,500).

D'un point de vue stratégique, **un partenariat officiel avec l'université de Stellenbosch** est en discussion depuis quelques semaines. Celui-ci s'officialisera courant 2024 et nous permettra d'offrir un meilleur suivi aux étudiants bénéficiaires et d'élargir notre offre de bourse à d'autres étudiants du secteur de la santé (infirmiers et autres paramédicaux) - souvent davantage précarisés que les étudiants médecins.

From a strategic point of view, **an official partnership with the University of Stellenbosch** has been under discussion for several weeks. This will be formalised during 2024 and will enable us to offer better follow-up to the beneficiary students and extend our scholarship offer to other students in the health sector (nurses and other paramedics) - who are often in a more precarious situation than medical students.

Nous souhaitons enfin remercier chaleureusement **Mme Maria Luisa Arkcoll et Mr Alphonse Juncker**. Leur implication au sein de la branche sud-africaine de Spes Bona s'est arrêté ou s'arrêtera sous peu. **Merci à eux pour leur soutien sans faille ces 3 dernières années** !

Finally, we would like to extend our warmest thanks to **Mrs Maria Luisa Arkcoll** and **Mr Alphonse Juncker**. Their involvement with the South African branch of Spes Bona has come to an end or will do so shortly. We warmly thank them for their unfailing support over the last 3 years!

VESALIUS SCHOLARSHIP

SELECTION OF THE 2023 RECIPIENTS
SÉLECTION DES BÉNÉFICIAIRES 2023

158 dossiers de candidature / 158 applications

Jury: Julie BETTENDORFF, Gaétan CATALA, Edouard HOSTEN, Nandipha MAKILIMA, Charlotte MAILLARD, Evelien SANDBERG, Alphonse JUNCKER, Doris MPELA, Sindeka MANGI

Tous les étudiants sélectionnés ont bénéficié de la bourse Vésalius d'un montant mensuel de 7.000 ZAR. All selected students have been awarded the Vesalius Scholarsip - a monthly grant of ZAR 7,000.

RAPPORTS ANNUELS
ANNUAL REPORTS

Chaque année, nos étudiants bénéficiaires nous remettent un rapport reprenant leurs résultats académiques ainsi qu'une brève description de leur expérience personnelle durant l'année académique. Nous avons décidé de ne pas faire figurer l'ensemble des résultats académiques des bénéficiaires dans le présent rapport mais vous pourrez prendre connaissance de leur retours d'expérience ci-dessous.

Each year, our student beneficiaries submit a report summarising their academic results and providing a description of their personal experience during the academic year. We have decided not to include all the beneficiaries' academic results in this report but their feedback can be read below.

Mbuso
DLAMINI

I am Mbuso Innocent Dlamini who is currently studying at the University of Pretoria, doing fourth year in the Bachelor of Medicine and Surgery degree (MBChB). I am writing this testimonial letter to thank the coordinators and all relevant stakeholders in the administration of this powerful scholarship. I am so glad, and I appreciate so much for what the scholarship has done to me in changing my life to a better life like any other medical student at the university.

I am now able to buy myself clothes, food, study material and other important things that will enhance me in this journey of becoming a professional medical doctor. I am now living a peaceful life and a healthy life because of my powerful scholarship,this has a positive effect on my academic life and my daily life as well. I am so grateful once again to be one of the students under this scholarship when I see the kind of life, I am living now I just cry tears of joy.

This degree is too demanding but with some sponsorship it becomes a bit better to cope and I promise to my donators that I will always do exceptionally well because I am proud to be part of this funding opportunity. I am still determined, disciplined, and dedicated to my academic aspects as usual. I always pray for this scholarship to grow even bigger because it is one of the best in changing a life of a student in totality. I am prepared to comply with any instruction or request that my scholarship will request me to do.

Above all may our almighty God bless my donators for coming to my rescue and increase their belongings abundantly, our God is an awesome God that always provide. I am out of words of how to express myself on how good my donators are. I am happy beyond measures, and I will do my best to ensure that my scholarship is proud of me and has had a positive impact in the life of this upcoming doctor.

Thank you so much to my donators for making me a better human being. I will also ensure that I become the best version of myself as I am still on hunt for who I've not yet become. I promise to change South Africa and the entire world by making it a better place by using my medical knowledge to save lives of our fellow people.

RAPPORTS ANNUELS
ANNUAL REPORTS

To the Spes Bona Initiative funders/sponsors for Medical education

I write this brief testimony to reflect on the funding I have received from this initiative. This year the burden of stressing and feeling depressed with so much anxiety because of finances was lessened by Spes Bona. It felt like a huge heavy load was taken off my shoulder as my worries are not all focused-on funds and fees. I try to worry more about focusing on my academics now, instead of financing like I used to before I received this sponsor. There are still many challenges with finances but having Spes Bona on my side has given me hope and determination to succeed in this medical journey. Your Initiative is part of the funds that cater for my academics, school, food, a shelter to stay in, books and stationery and a smile on my face. [...]

I no longer must worry about financing now, instead I feel like a teenage boy in high school who is eager to pass my year and is happy to work hard so that I can make may parents proud too. This parent for me is Spes Bona funders. Being taken care by you feels like being loved. And there is nothing I want to do this year besides passing and showing the funders that myself and other students, will always be very grateful to you. I am deeply privileged to be funded and that is something I don't take for granted.

Yonwaba
MNTONGA

To the donors of Spes Bona

Moedi
RAMOHLAHE

This scholarship has significantly aided me in funding my studies.
Thanks to its support, I will be able to complete paying off my fees for the year by the end of November. Additionally, it has lessened my workload because I no longer have to work as many hours to cover my expenses. This relief in financial pressure has allowed me to prioritize my studies and focus on achieving my academic goals. Furthermore, it has provided me the means to afford necessary items like scrubs, which are essential for my field of study. I am extremely grateful for the opportunities this scholarship has provided me with.

I sincerely appreciate the continuous support I have received, both in terms of mentoring and financial aid. This incredible assistance has made a significant difference in my educational journey. The guidance and direction provided by mentors have been invaluable in shaping my academic and personal growth. Additionally, the financial aid I have received has been instrumental in funding my studies, allowing me to focus on my educational pursuits without the burden of excessive financial stress.

I am truly grateful for the endless support that has been extended to me, which has played a crucial role in my success thus far.

RAPPORTS ANNUELS
ANNUAL REPORTS

My name is Queren Kamuanya and I am a final year medical student at Stellenbosch University.

I would like to start off this update by thanking you once again for granting me the Spes Bona scholarship. Looking back on all my years as a medical student, I can say with full confidence that my final (6th) year has been the smoothest year of my degree thanks to the Spes Bona initiative. From my second year of varsity, I always had financial stress throughout the year regarding rent and monthly expenses because my brother's income is very limited. As a result, I pushed myself by doing numerous part-time jobs to make extra money to cover for my living expenses. However, when I started final year, I couldn't maintain the part-time jobs as I was often required to be present in hospital for much longer hours (8-16hrs per day).

Queren
KAMUANYA

Due to the funding from the Spes Bona initiative, I have been able to fully focus on my school work without the burden on finances weighing on me. As a result, I no longer work part-time to make ends meet which means that I have more "free time" to put into my studies and rest.

My first semester was comprised of all my medicine clinical rotations which I have successfully completed as you can see above. My second semester is comprised of all my surgical clinical rotations which I am currently doing. At the end of the surgical components, the university then takes all my marks (medicine and surgery) and combines them to give me one final mark for my final year which is the only official mark for my sixth year on my transcript. As a result, these marks are not available on my academic transcript because as my final year report will only have one combined clinical rotation mark which I will get in December.

My name is Bulelani Mbhele, I'm a 4th year medical student at Walter Sisulu University in Mthatha campus (Eastern Cape). I'm a recipient of Vesalius scholarship since last year.

Bulelani
MBHELE

The scholarship made a big difference in my life, because now I do not stress about food, accommodation, books, and other school materials. With the monthly allowance I receive from your organisation I'm able to pay for rent, buy food, books, and other school materials.

The scholarship lowered my burden and made me to focus more on my studies. The support from your organisation, does not only lower my burden but it also serves as my everyday motivation to work harder. The help I get from the organisation make me look like other students who have funding, I don't know where I would be if I did not get your support since I'm from a disadvantaged family.
It is hard to get a bursary here after passing first year and being not from eastern cape, that is why even at this point I'm depending on the support I receive from the scholarship. I really appreciate the support you have given me since last year, I'm so grateful to be given the scholarship.

RAPPORTS ANNUELS
ANNUAL REPORTS

Having the scholarship has made a tremendous change in all aspects of my life because finances are no longer an obstacle. I am now in my clinical year which means there are a lot of equipment that needs to be purchased and the monthly allowance I receive has made it possible for me not to lack on any material. This has therefore facilitated my learning experience to be a lot more pleasant. Leading to me striving with excellence in my academics as school is my only worry and priority.

At my institution- University of Pretoria there is a tradition where fourth years gather together in a formal function in preparatory for the next coming year. There were tickets to be purchased in order to attend and the scholarship made it possible for me to be a part of this. I am grateful that I do not lack as all my needs are continuously fulfilled every month. Furthermore no words can be put together properly to express my gratitude. It feels so good not to worry about where my next meal will come from. The scholarship has relieved me from so much stress and not only did it help me but also at home there is change as my mother does not have to worry about me every single month.

Nolindo
MASANGWANA

My mental health and overall wellbeing has greatly improved. The scholarship has really improved my life because it has given me the freedom to spend more time studying without having to worry about finances.

If someone had told me how hectic clinical years were going to be, I wouldn't have believed them. Having to spend the whole day at hospital clerking patients; performing procedures such as taking bloods, putting up drips, taking ECGs; shadowing doctors as they do their work; observing or even assisting in surgeries; attending tutorials- the list goes on; and then having to come back home and study, is very tiring. I love being in the hospital, but I have never had to work as much as I am working right now, and having to study on top of that is very hectic. It is for these reasons that every day I am more and more grateful for having been chosen as a Vesalius awardee. It brings me so much joy and peace knowing that even though I do not have the time to work anymore to take care of myself because of my tight schedule, I still have an income coming in, in the form of the Spes Bona allowance.

Lilyossa
MANDIZVIDZA

The scholarship has had a profound impact on my university experience. The financial relief has been amazing. I managed to move closer to the university, so I don't have to worry about commuting almost 2 hours every day. I am therefore able to save on time and focus on my studies. This has especially been helpful this year since I am now in my clinical years and must be in hospital every day. The scholarship also helps me cover my living expenses, and this has been a huge relief since I do not have to work to look after myself. Additionally, I can save some of the money towards my fees since the charity organisation that pays my fees only paid 50% of my fees this year.

I am so excited to say that next year is my final year of medical school. I am only 1 year away from finally fulfilling my dream of becoming a medical doctor and it's all thanks to the people who supported me along my journey, especially The Spes Bona Initiative donors. My plan for next year is to work harder and continue excelling academically so that I can be the best doctor, and hopefully be able to get medical internship in 2025. Additionally, I aim to try to volunteer more to organisations like The Special Olympics, which is something I did this year. This is to hopefully strengthen my CV so that getting an internship in 2025 is easier.

I would like to take this opportunity to thank the Spes Bona Initiative once again and all the donors for helping me throughout all these years. I wouldn't have been here if it wasn't for you. I am eternally grateful.

PRELIMINARY FINANCIAL REPORT (2023)
RAPPORT FINANCIER PRÉLIMINAIRE (2023)

Un aperçu du bilan comptable de la fondation sud-africaine du 1er janvier au 31 octobre 2023 est disponible ci-dessous. Le détail des transactions financières de même qu'un résumé des donations peut être consulté dans l'annexe 1. Le bilan définitif de l'année 2023 sera réalisé par notre fiducière à Johannesbourg (PAPERCHASE) début 2024 et communiqué dans la foulée.

An overview of the SB South Africa's balance sheet from 1 January to 31 October 2023 is provided below. Details of financial transactions and a summary of donations can be found in Annex 1. The final balance sheet for 2023 will be drawn up by our accountant based in Johannesburg (PAPERCHASE) at the beginning of 2024 to be shared with our donors.

NOS ACTIVITÉS EN BELGIQUE
OUR ACTIVITIES IN BELGIUM

Le bilan de l'année 2023 pour la branche belge de l'initiative Spes Bona a été marquée par de nombreuses initiatives destinées à récolter des fonds en faveur de nos étudiants bénéficiaires.

Tout d'abord, **notre système de parrainage** - grâce auquel un mécène en Belgique peut directement améliorer la qualité de vie d'un étudiant en Afrique du Sud - nous aura permis de récolter plus de **7.000€** en 2023 grâce à la générosité d'une trentaine de parrains. Près de **2.500€ supplémentaires** ont été récoltés par la **famille Cousin** à l'occasion d'une fête familiale cet été - merci à eux !

L'organisation de deux évènements caritatifs d'ampleur nous ont également permis de récolter davantage de fonds à destination de nos bénéficiaires:

- **Soirée tombola chez Mazette** en Janvier (3.665 € récoltés) - merci aux artistes, journalistes, athlètes et autres donateurs pour l'ensemble des lots gracieusement offerts !
- **Fête Champêtre de Céroux Mousty** en Septembre (3.955€ récoltés) - merci à la famille Fain pour son accueil et sa générosité !

Plusieurs initiatives "Foodies for Spes Bona" ont également pris place en 2023:

- 111 bacs de notre notre bière, la **Drache** ont été vendus ! Un nouveau brassin de 159 bacs est par ailleurs très récemment sorti de cuve.
- Charly Friberg a débuté la production de **tablettes de chocolat Spes Bona** "Bean to bar".

De délicieux paniers gourmands Spes Bona associant bières et chocolat **seront bientôt en vente** afin de fêter Noël dignement! Plus d'infos à suivre.

Notez qu'un rapport d'activité définitif pour l'année 2023 sera publié au lendemain de notre AG annuelle prévue le 20/02/2024

The year 2023 for the Belgian branch of the Spes Bona initiative was marked by a number of initiatives designed to raise funds for our student beneficiaries.

First, **our sponsorship scheme** - through which a sponsor in Belgium can directly improve the quality of life of a student in South Africa - enabled us to raise more than **€7,000** in 2023 thanks to the generosity of some thirty sponsors. **Nearly €2,500 more were raised by the Cousin family** at a family party this summer - many thanks to them!

The organisation of two major charity events enabled us to raise more funds for our beneficiaries:

- A **tombola evening at Mazette** in January (€3,665 raised) - thanks to the artists, journalists, athletes and other donors for all the prizes kindly donated!
- **Fête Champêtre de Céroux Mousty** in September (€3,955 raised) - thanks to the Fain family for their warm welcome and generosity!

Several "Foodies for Spes Bona" initiatives also took place in 2023:

- >2.5000 bottles of the Spes Bona beer, **La Drache** were sold! A new 3800-bottle brew has also just come out of the barrels !
- Charly Friberg has started a **limited production of Spes Bona "Bean to bar" chocolate bars.**

Delicious Spes Bona gourmet baskets combining beer and chocolate will soon be on sale to celebrate Christmas in style! More information to follow.

Please note that a definitive activity report for 2023 will be published after our Annual General Meeting scheduled for the 20th of February 2024.

EDUCATION IS THE MOST POWERFUL WEAPON YOU CAN USE TO CHANGE THE WORLD.
